She loved sewing, quilting, crocheting and counted cross stitch, creating beautiful afghans for newborn babies, quilts for loved ones and donated many blankets and "Cathy Caps" for cancer patients. She was the matriarch of the family, hosting holiday gatherings and making her famous lasagna for Christmas dinner. “ *My nane is Barb Stevens Vivlamore. Anna was my aunt. Your father Chuck was my mothers brother. Chuck and my mother Louise were astranged and were reunited after 30 years. Your mother and I exchanged Christmas cards for years. I did not hear from her this year and I was concerned. I was very sorry to hear she had passed. I would love to hear from you.*

“ Anna was a lovely lady and spirit. Whenever I went to Silver Spray chapter she would hurry over and hug me. The last couple of years she seemed to be slowed by one thing or another, so I would find her and give her a hug. I was honored to be her "friendship" Chaplain and sit in her chair the Thursday after she passed. I won't forget her the rest of my life. Rest in Peace, Anna.

“ Anna was such a wonderful presence and kind spirit. She helped to make me feel welcome when I joined Eastern Star and always lit the room when she entered. Her smile and beautiful spirit will be dearly missed.

“ Mrs. Burriss was such a loving person. I feel blessed to have known her and learned from her for over 35 years. Jobs Daughters Bethel 185 would not have been the same without her and her guidance. I was fortunate to know her as an adult as volunteers for the American Cancer Society. No matter where she put her efforts, she always showed grace and love to everyone she met. She will be greatly missed.
