“ Calvin even though I never worked with you directly with me being in the Contracts & Purchasing Department I want to thank you so much for the times that you did see me, you took the time to smile and say hi to me if only for a moment cause that always meant a lot to me back then when I was struggling so hard to fit in. You were a handful of people at Dey that I always felt comfortable around and still talk to through social media but I wish we could have gotten to know each other better. My thoughts and prayers go out to your family and friends and I know one day we will meet again and maybe have a great conversation about the good ol' days at Dey Labs cause that's what family does... RIP for eternity...

“ I first met Cal nearly 40 years ago in Milledgeville, GA where he confidently shared his goal of getting to California. Well done my friend!
