August 11, 1962 - November 29, 2016

Evelyn Louise Gambill, 54, passed away November 29, 2016, in the Intensive Care Unit at UCSF Hospital in the loving arms of her husband, surrounded by her family and her two children. She had succumbed to complications of a short two-year diagnosis of Interstitial Pulmonary Fibrosis, an illness many did not know she had. Evelyn was born on August 11, 1962 to Benjamin and Juanita Beltran of St. Helena; she was their fourth daughter and was followed by two younger brothers. As a second-generation native of the Napa Valley, Evelyn and her five siblings attended the St. Helena Catholic School and St. Helena High School. She worked for the California Grower Foundation in St. Helena for thirty years and was well known to her peers and clients as a kind, compassionate and dedicated woman. Her love for her family, children and husband stands as her most enduring quality. She is remembered by all for her acts of kindness, generosity and selflessness. Evelyn is survived by her husband Kevin Gambill of St. Helena, her two children Rachel (Ryan) and James and by one grandchild still on the way. She is also survived by her siblings Kathleen (Dennis), Elizabeth, Ana Marie, Benjamin (Sandra) and Steven (Wendy) all of whom she adored and loved dearly. She is preceded in death by her mother Juanita. A rosary will be held Tuesday evening, December 6, 2016 at 7pm. A funeral mass will celebrate her life Wednesday, December 7, 2016 at 11am. Both services will be held at the St. Helena Catholic Church. A Memorial fund has been set up at Bank of the West in St. Helena for Rachel, James and her granddaughter.
