

Frances Ramona Shearer

November 8, 1922 - July 24, 2021

On July 24, 2021 Frances Ramona Shearer passed away at the age of 98 after a long and full life. She passed in complete peace and comfort. As well, - in her usual fashion, she looked lovely with her earrings and necklace to perfectly match her clothes. For all of us that knew her well, - this is of no surprise. Decorum was of great importance and being humble was expected of all around her.

She was quick witted and made friends wherever she went. Being active in her church and involved in the philanthropic efforts brought her joy. She walked nearly every day and could usually rally a group of woman to join her...perhaps this led to her fine health. Fran was a positive influence and left us all with many life lessons as well as a smile on our faces. She will be missed.

She was preceded in death by both her loving husband Bill and their son Tom, who she so adored.

A small private family gathering will be held at the Sunset View Cemetery, El Cerrito, Ca,
