

Grace Ky Griffin

December 7, 1959 - November 9, 2021

Grace K. Griffin (a.k.a. "Princess Grace" as she liked to be called) was born on December 7, 1959 in Vietnam and went to be with God on November 9, 2021.

Grace and her sister Nora were adopted by an American military family and traveled and lived in many countries growing up. Grace always fondly told stories of those times as the memories were very dear to her. She was a graduate of Napa High School (1978) and she always said that high school was one of the best periods of her life.

The picture we have chosen for her obituary reflects her wonderful jovial spirit, always game for anything that life presented to her. She had an infectious laugh and her ability to see the humor in life served her well.

Grace had many, many friends and if you were lucky enough to be considered her friend it was a true honor. She had an uncanny ability to remember the birthdates, graduation years and other facts of all her friends lives. She remembered these things because she genuinely loved her friends and her capacity for love was huge.

While she will be missed, she will definitely not be forgotten. A celebration of Grace's life will be held on December 7, 2021 at the Napa Salvation Army at

1:00p.m., where over the years she volunteered her time and attended church services.
