“ *Dear Monroe family:
The Atchley family feels much sadness from the loss of Jack Monroe. He was a business partner, consultant, confidant and great friend.
I personally knew him for over 35 years and enjoyed each and every encounter. My family was always able to depend on him 100%. He gave us his 200% and charged only 10%.
The memory of his smile and laughter will always be cherished!

“ Dear Debbie , Jeff, and Family. Verna and I are truly sorry to hear of Jeff's passing. He was our friend. We have many wonderful memories of him and LaDay. We used to get together with friends every Monday Night Football and the 49er games He was truly a "49er". When the "catch" was made he had tears running down his cheeks. We had an on-going bet on the "Big Game". When he lost he would pay the \$5.00 with a poem explaining the reasons the Bears lost. I still have them. When the Bears won he would wake me up early Sunday morning with the Cal Bear Fight Song. We'll remember the cribbage games, get-gethers, camping, and listening to his wonderful stories and of course that wonderful laugh.

“ Dear Jeff, Debbie and family. I was so sorry to hear of your loss. So many fond memories of your Dad as we grew up on Shasta. Who can ever forget his infectious laugh! We always had to be quiet when he was watching his golf though. We are away until July 21st. Wish I could be there for the service. Will be thinking of all of you.
Take care. Jon Salinger
