“ *I will miss Jane as I found her to be warm and sensitive. I am pleased she came to Napa so that I had time to chat and style her hair on occasion. We had several deep conversations and she was willing to share her inner most thoughts and also teach me words of wisdom. She shared her life with her beautiful Persian kitty, Snowy, who she cherished. She will be deeply missed and yet I am happy for her connection to her son and husband who she joins. I will see her smile and remember her laughter. My hearts are with her two girls and niece.*
