“ Dear Carol and John, I am so sorry to hear about Janet. We had FB a few months ago and she told me she had cancer. It is so sad. She was so fun and such a lovely person. We had gone to lunch when I was out in Napa, a ways back. Love to you all. Diana Blaylock Johnsen

“ Janet was a lovely woman. Always smiling and cheerful. How cute she looked as a young girl in a pioneer outfit her sweet mother sewed for her. As she grew she never lost her youthful love of all the good in life even though she faced many trials. I loved her sense of humor and always joking and teasing her siblings. She will be missed.

“ Janet is one of the happiest people I have ever met. Her love was for everyone. Janet had cancer and you would have never known because she fought bravely and with a smile on her face. Love her to pieces! Happy she is out of pain and reunited with family.
