“ *We had a ton of fun with church sports. I have great memories of them. Jean worked us pretty good, let us be totally goofy and have fun and encouraged winning as well as good sportsmanship. And she encouraged us as people. She really did lift us up and NEVER made anyone feel not good enough nor shamed us for bad plays etc. She always, always encouraged and praised. She was a good volleyball and basketball coach and YW church sports were good times 😊😊😊*

“ Jean coached me in church sports for several years and was one of my leaders at Girls Camp. She was always fun to be around and made us all smile. My thoughts are with all her loved ones. --

“ I knew Jean best in her years when she was coaching young women and helping at camp. Jean was so enthusiastic and liked to be active and on the move. She also liked to win! My sympathy to all the family and people who loved her. I will be praying for your comfort.
