

## Jennie - Elkin

April 27, 1934 - August 24, 2021

Private burial at Winnemucca Cemetery, Winnemucca, Nevada

# Tribute Wall

DC

“ My wife Brenda and I went to Winnemucca in August, 1963, as I was assigned to the USAF Station there through 1966. Brenda and Jennie became lifelong friends. After leaving the Air Force, we returned to Winnemucca several times in several years when vacationing, specifically to visit with Jennie. When we couldn't be there on vacation, Jennie and Brenda phoned each other every week. We all were the best of friends and so enjoyed spending time together over all those many years.

*Unfortunately, Brenda passed away four days before Jennie passed away. They will both be sorely missed by all who knew them. I know that Brenda would echo all that I have said here about Jennie, one of her very best friends for life.*

*Rest in Peace, Jennie; you will not be forgotten.*

*Donald R. Cash - (signing for both Brenda and me)*
