“ *Thank you Brent so much. I read this only recently. Its going to be 3 years this week. I cant believe it has been 3 years already. You were more than a friend to him as he loved you like a brother. You two had a great relationship and a smile always was on his face when he would tell stories of your adventures together. You too are a great man. I know one thing that I say over and over... Marty made me stride to be a better person. He was so special and unique. A true example of a gentleman. I miss him every single day. First thing in the morning is the hardest and loosing him has really changed me. Thank you with all my heart for your kind words. I will keep this forever and read it often. It's truly just how I remember him.*

“ I just want to extend my sympathy to Tami and the Franck family. I was shocked to hear of Marty's passing. He was like a brother to me. I have so many fond memories of Marty playing sports in little league, high school and on city league softball teams with my brothers Steve and Randy. I'll always cherish being side-by-side with him in the duck blinds as well as the outfield through so many games, tournaments and championships. So many memories of hunting, fishing, golfing, poker games with his family, cruising and all the fun and trouble we got into. I am so glad I have so many pictures. I just pulled them out to reminisce. I regret not spending more time with him in recent years. I will miss him and never forget his laid back, easy going personality that was just so fun to be around. I appreciate the time I did share with him and will always be grateful for having a friend like him in my life.

“ *Marty like all of the Franck's had a wonderful heart. Growing up as part of the Hiermeier clan we cousins certainly knew how to have a good time. We were taught that family is what is most important in our lives and to love and support each other. Marty had that spirit of love and caring. Aunt Vera was very proud of her sons and each had a special place in her heart. Marty, I know you are with Aunt Vera and Mom (Monica) now and that they will continue to look out for you. God Bless-Cousin Katherine Bottini and family*
