Tribute Wall

“ I cried when you passed away. I still cry today although I love you dearly, I couldn't make you stay. Your golden heart stopped beating, hard working hands at rest. God broke my heart to prove to me he only takes the best. I will always love you and I will never forget you calling me , your baby girl. You said I'd always be. Love and miss you everyday and I know your my guardian angel watching over me.
