“ Miguel was our mailman for many years and always had a smile and friendly manner. He went above and beyond - if we didn't have mail, he left a note in the box, "no mail today", he would always bring the packages up on the porch with all the mail. He was such a lovely human being and I am so sorry for your loss. Please accept my deepest sympathies.

Sincerely,
Lois Gouveia, Ehlers Lane

“ I will always cherish all the years and memories we had together as neighbors. I will be forever grateful for him being there for my boys as an uncle, coach and mentor. He was always present in their lives even if was in the background always willing to help with a smile and his kind heart. I loved seeing him drive around town in his mail truck. He took such pride in his work and always went above and beyond his regular duties.
He will be missed immensely.
