

Peter Hunter Stoppello

January 1, 1998 - April 26, 2021

Peter Hunter Stoppello of Napa passed away unexpectedly on April 19th, 2021. He was 23 years old. His friends and family are heartbroken.

Peter started life on New Year's Day and made news as the first baby born in Napa County in 1998. He attended Browns Valley Elementary, Harvest Middle School and graduated from Napa High in 2016. After graduation, he spent time in San Luis Obispo and made several trips to Mexico to see family. He had recently settled back into student life, taking classes at Napa Valley College, while working to support himself.

One of Peter's greatest accomplishments was being an incredible brother to his younger sister by 10 years, Taylor. He loved Taylor dearly and could often be found cheering her on at a basketball game, coaching one of her soccer games, or attending one of her school events. Never has a sister had such a caring friend and fierce protector.

Peter enjoyed baseball, football, rugby, AVID, cooking, agriculture and travel. Peter's favorite teams were the A's and the Raiders, and he loved playing golf. He could often be found on the golf course with his Dad, Grandpa, friends and most recently with his cousin Sebastian.

Peter is survived by his mother Maria Lopez-Stoppello, his father Trent

Stoppello (Ashley) and his sister Taylor Stoppello. He is also survived by his grandparents, aunts, uncles, step siblings and many cousins.

Peter's family would like to thank all of his teachers, coaches and mentors who guided him through the years. You helped him become a good man and for this we are truly grateful. Peter, we will miss that Peter smile, your laugh, love, joy and kind spirit more than words can express.

Donations in Peter's name can be made to an education fund set up for his sister, Taylor Stoppello: PO Box 10617, Napa, CA 94581 or Venmo @InMemoryofPeterStoppello.
