

Robert Dale Uran

July 22, 1955 - July 21, 2013

Robert Dale Uran, passed away suddenly on July 19, 2013. He was born July 22, 1955, to George Dale Uran and Margot Green in North Hollywood, Ca. He had one sister, Leslie Uran (Tiffany Wicken). Bob's family moved to Willits, Ca, when he was a young boy, with his two step brothers, Lee Uran (Shaun and Kathy) and Steve Uran. He moved to Napa, Ca at 16 years of age. Both of his parents preceded him in death. Bob worked for the Napa County Department of Corrections for 22 years, retiring in 2007. He had received many accolades through the Department of Corrections, including Officer of the Year in 1996. He also owned his own business, Bob Uran Computer Consulting. His business served various prominent medical groups in the community, both personally and professionally. Bob loved fast cars and loud music. . He was involved in racing in some way or another. Whether it racing cars and motorcycles as a youth, racing people throughout the streets of Napa, as an adult or working with his friends on a racing crew. He loved to work with his hands. He was able to fix cars, make furniture, grew amazing gardens, built computers and many other things through the years. His ability to learn and his hunger for knowledge combined to help create an amazingly wide variety of skills and interests. Humor, compassion and honesty were just a few of the core values Bob lived by. He was always quick with a joke and had a way of making anyone laugh. He had an amazing way of relating to people that allowed him the opportunity to befriend people from all walks of life. People will always remember him for his genuine personality. Anyone who had the

privilege of knowing Bob knew that his heart was his most important quality. Evidenced by his career at NVDC, his years as a foster parent, his mission trip to Brazil, where he helped build a church and finally his computer consulting business, through which, he helped people with their various technology choices (Did you turn it off/on before calling?) He was like an Oreo cookie, with a rough tough exterior and an incredibly soft center. Bob met Ruby (Brown) Uran in the fall of 1977 and they were married October 7, 1978. He is survived by his wife Ruby Uran and two children, Joshua Morgan Uran (Walnut Creek, CA) and Mallory "Peanut" Elise Uran (Napa). Bob would always say that his family was his life's work and constantly reminded them, "All we need is each other, me, mom, Josh and Mal." That unit is not broken by this profound loss, it has only been made stronger by the love we were able to share as a family. Bob is also survived by his extended family (extended only by travel time) Cousin Dianne Diaz (Ashley and Tyler), Cousin Gil and Shay Green (Ryan), Aunt Charlotte Green and some very special children added to their family along the way: Leslie (Kyler, Kendrick, Katie, Max), Monica (Chris, Mailai, Charles), Patty, Heather. A Celebration of Bob's life will be held on Saturday, July 27, 2013, 1-4pm at Tulocay Cemetery, Reception Room, 411 Coombsville Road, Napa CA 94559 In lieu of flowers, donations may be made to: Napa Valley Hospice & Adult Day Services, 414 South Jefferson Street, Napa CA 94559

“ *Ruby, we were all shocked to hear of Bob's sudden death....such a stark contrast to his vibrant personality. We remember fondly his work with the Union and his positive attitude with County Inmates and staff. We will see you at the Memorial to pay our respect.*

“ I was shocked to see that we lost Bob. I have know Bob since the early 1970's. Bob was always a kind and caring man. I spoke to Bob many, many times at NCDC while booking or interviewing prisoners. Bob was always a gentleman and a professional. I am so said to hear of his passing. My condolences to the entire family.

“ Bob was my neighbor and when I moved to my home on Hemlock Street 15 years ago he and Ruby were 2 people who as a single woman I felt "had my back". On one occasion right after the earthquake, I heard a loud knock on my door, it was Bob checking to see if I was alright.. On another occasion after the New Years Eve flood I had a prowler jump over my fence, the police were too busy to respond but Bob wasn't; he gave me mace, told me how to use it and said to call him if there were any further problems. Mal cared for my dog Milo when I was away and I liked that they were a 'wave away.' I always felt a little safer when I saw Bobs big truck in the driveway. I cannot imagine the heartache Ruby, Mallory and Josh are experiencing at the way too early passing of this bigger than life man. My thoughts, prayers and condolences are with you all. He passed way too soon.

“ I didn't have the pleasure of meeting Bob, but I knew he was a wonderful guy. His reflection showed through his amazing wife, Ruby with whom I have the great pleasure of working at ADS. As you wrote so well, "your unit has only been made stronger by the love you were able to share as a family." A beautiful family like this will live on and be stronger with Bob's love surrounding you every moment of the way.
