

## Sean Michael Horne

June 16, 1986 - March 28, 2013

Sean Michael Horne died unexpectedly on March 28th, 2013, he was 26 years old. He is survived by many family members through birth and marriage. His Mother, Tammy Willard (Horne), Father Steve Horne & Sharon, brothers and sisters Brandon, Derren, Matthew, Ayla, Rebecca, James, Mathew, Andrew, and Leanna, his son Maverick and Mother Danyell Washburn, and the Washburn family, Mike, Terry, and Kristine. Sean was born June 16, 1986. He came out quick and never slowed down. Growing up he laughed and smiled often, and loved playing with his older and younger brothers. Sean grew up in American Canyon and attended Donaldson Way, AmCan Middle School, and graduated from Chamberlain High School. He played youth baseball at ACWV and youth basketball. He grew up attending Napa Valley Baptist Church with his family, where as a young boy in the AWANA program he learned about God's love and accepted Christ as his Savior in 1992. He loved to go to summer Bible camp and participate in the youth groups. At the age of 12 Sean became a certified SCUBA diver and enjoyed many trips to the ocean, along with camping trips with family and cousins. He loved to fish, and caught his first striper bass on the Napa River with a Mickey Mouse spin cast pole, and fish have been on the run ever since. His greatest catch as a young boy was a King Salmon on a river in Alaska, even though it really wasn't very big, it was King to Sean. He loved spending time with groups of family and friends, whether listening to music, just hanging out, or competing in the games of the backyard Olympics. Sean married Danyell, and together

they had a son Maverick, a beautiful little boy that was loved and adored, affectionately known as "Mavy". A memorial service for Sean will be held at Napa Valley Baptist Church, 2303 Trower Ave in Napa, on Saturday, April 6th at 2:00 PM. A basket will be available at the service for donations that will be used to establish a trust fund for Maverick. Please share memories at [treadwaywigger.com](http://treadwaywigger.com)

“ I first met you in 2010,I gave you a ride to goodwill so you could buy some new socks,the next day you stole my truck with Everything that I owned in it,including my recently deceased mother's ashes.Once I learned of your deed,I had a nervous breakdown which pushed me to a suicide attempt,thankfully unsuccessful.I reported my truck as stolen by you to the Napa sheriff's office,thanks to officer couldn't give a darn,he failed to file my report,so you got away with stealing my life.I don't know how you died but I would love to think it was from guilt.Now I can finally be at peace,I can finally forgive you for the wreckage you created.you will no longer occupy my nightmares.I will no longer carry the hatred I had for you.

I have no way of finding closure for the loss of my mom's ashes,she wanted me to scatter them some place where flowers can grow.I pray that you may have disguardned them into the vineyard and in the spring when the mustard grass and the poppy's bloom I will be able to finally say goodbye to my best friend just as your family have been able to do after your departure.

“ Sean, I will never forget the times we spent together at ACMS, and beyond. I will miss the smiles you have brought to my face, or the loyalty of your friendship. You weren't just an amazing friend, you were a beautiful soul, comic genius, passionate man, and devoted Father. I don't know why it turned out like this, but it doesn't matter anymore - I'm just glad you're at peace. Although I still can't believe you are gone, that I will never get the chance to talk to you again, I am grateful that I was able to spend the times that I have with you. I hope paradise is everything you dreamed it would be. Shine down on all of us my friend - Until we meet again.

“ i am so sorry for your loss. i know nothing will heal your pain but gentle time. i understand your heart is heavy, after losing both Tony & Nolen Sistena (my husband & son), i thought i couldn't move forward. but, with the strength i felt from both of them & my other children, i knew things would be ok. sean is now your shining star leading you & protecting you. being Maverick's guardian angel. it hurts he is gone, but have peace knowing he will always live inside you. always remember his smile!!! i knew you, sean, as a young kid & watched you grow into a man & father from afar, but you left an imprint in my heart as you did with everyone you touched. you'll be missed always, but Nolen is now complete with you by his side...NO MISCHIEF BOYS! ;o) my deepest thoughts & prayers, trina, larry, andrew, josh, & jordan sistena-lopez

“ I still can't believe you are gone but know that you are in heaven and I'll see you again. I loved your heart, your fierce loyalty and your compassion. I'm so glad I was able to be your principal and be the one to hand you your diploma. I also loved watching how much you loved your little boy. I will never forget how good you were to Matt....how you and Gilbert took the time to sit with us at church and try to talk to him with the sign language you were learning. You had such a caring heart. You will be missed so much. I know you are no longer hurting and are in the arms of Jesus.....and for that, I am so grateful. Love you and miss you my friend! Sandy L.
