“ Shirley was a true friend, a sorority sister, a bridesmaid in our 1981 wedding. After she and her husband moved from Saratoga to Napa we lost frequent contact due to distance and health problems. (We are both cancer survivors).
Yesterday when I planned to call for a long overdue conversation, I was horrified to hear she is no longer with us!
Dear Shirley, Rest in peace. You were one of the most beautiful persons on this planet. My husband and I will miss you.
I'm going to try to attach a few photos from wedding in Menlo Park, CA.
