“ *Kelly....you and Thomas were two of the first people I met when I came to Vallejo over 15 years ago. I will always remember Thomas with his friendly and warm disposition. I didn't matter where he was Terrible Terri's, a motorcycle run, the club house wherever I would see him he would always be smiling. I know that you had a lot to do with that, so take comfort in the fact that you made him smile.
God Bless,
