

William Dale Iverson

September 18, 1952 - January 5, 2016

Bill Iverson, 63 passed away January 5, 2016 in Napa, CA. Bill was born in Seattle on September 9, 1952 to William and Lorene Iverson. He moved to San Jose with his family as a small boy. He spent his childhood causing mischief in the then-prune orchards of Santa Clara. If his tall tales are true, he was chased off the haunted Winchester property by rifle a time or two. He graduated from Lincoln High School in San Jose, CA in 1970. Bill ran a successful cabinet business in San Jose for many years and then relocated to Napa in 1988 where he became Sales Manager of Magnussen Barbie Ford. A car accident in 1999 shifted his focus from sales to a spinal cord injury advocacy and he spent the rest of his days leading the Napa Spinal Cord Injury Network. His incredible sense of humor and happy-go-lucky love of life and his family will be sorely missed, but we find peace in knowing he moves freely in heaven. We envision him watching over us with a smile from the ski slopes. Bill is survived by his loving wife, Cindy of 40 years; children, Kyle Iverson (wife Tiffany Iverson); Kelli Stuart (husband Michael Stuart); grandchildren, James and Julian Stuart and longtime friend and caregiver, Juan Martinez. Funeral services will be held on January 22, 2016, 11:00 AM at Treadway and Wigger Funeral Chapel. Donations can be made to Napa Spinal Cord Injury Network: <http://www.napascinetwork.org>

“ *Sunday evening January 3rd I saw Bill in the parking lot of the movies. I got out of my car ran across the parking lot and wished him and his wife a happy new year. He was glad to see me me, we shook hands and I patted his back. He asked me when the gym would reopen and I told him I would see him January 18. He was in good spirits! When I returned to the car my daughter teased me for making a big deal about saying hi to Bill. Ironically I told her I felt compelled and reminded her that there may not be another chance to connect with a person. The following day was the dreaded anniversary of my daughters death which is always a sober reminder that time in this world is limited.*

God bless all who read this.

“ *Please accept my deepest sympathy for the Iverson family. The Holy Bible promises that death will be no more and all its causes will gone forever in the near future. Revelation 21:3,4, Isaiah 25:8. I hope your loving memories bring you comfort.*
